

Top 10 Reasons Point Sebago Resort in Maine offers unique vacations

Below are several story ideas available to you for your idea and editorial purposes. Please feel free to use any of these concepts in your own articles.

1. **Family Time** – Family Vacations are too harried and crazy these days but at Point Sebago you will have time to unwind, relax and reconnect with your family.
2. Meet Point Sebago's **cast of characters**. Chippy, Rocky, Squeaky, Stinky, Mortimer and his Maine gang know how to have fun and are guaranteed to entertain all. Chippy & The Gangs Hotcake Hoopla breakfasts at Point Sebago are always special, every Friday – this prime pancake time is affordable and seating is attainable. Chippy & The Gangs Welcome Show & Pizza Buffet is another great venue to meet the gang. Chippy's Premier Week, June 15 – 21 is an excellent chance to meet the entire gang – they may even make a house call at your Park Home!
3. **Getaway Weekends**. Point Sebago is the perfect destination for your getaway weekend retreat with special activities and events planned around the weekend theme. Some of our more popular Spring and Fall Weekend retreats include: Quilting, Scrapbooking, Pirates, Red Sox Yankees Rivalry, Maine Blues Festival, Murder Mystery, Oktoberfest, Monte Carlo and Halloween Family Weekends.
4. **Entertain the kids**. Point Sebago's all-day activities mean the kids are happy with friends (and therefore happy with Mom & Dad or is it Mom & Dad are happy?). Best of all, most of the activities are FREE so your kids don't have to be digging in to your pockets all day.
5. Take your family on a **Pirate Cruise**, the Point Sebago Princess Cruise Boat that is...tour New England's second largest lake aboard our 125-passenger open deck boat. But watch out, you never know when Pirates may be lurking around the corner ready to board your vessel! Point Sebago's wide variety of activities has also been likened to a Cruise Ship on land!
6. Be the **Captain** of your own ship, rent a boat from Point Sebago's marina and take the family on a "three hour tour" around our 55 square miles of inland waterways. Or paddle a canoe and search out loons – one of Maine's most magnificent aquatic birds.
7. Take the **family camping, without pitching a tent**. You are a hero when you provide your family with all the fun of a campground, but no one has to sleep on the ground. Point Sebago's comfy and cozy Park Home and Resort Cottages have mattresses, microwaves, TV's, Air Conditioning and yes – Mom even indoor plumbing. Can you say, "family time around the campfire?"
8. **Get down and dirty** – stage your own family sand castle competition. Mom, sand is a natural exfoliant for your skin. Dad - here is your chance to even out your lawnmower tan. Kids when is the last time your parents got sandy with you? Or go to the arts and crafts pavilion and play with some "mud."
9. **Golf - Take a swing at our sand traps** – Point Sebago's 18-hole golf course is rated number one in Southern Maine. Not ready for the PGA? Point Sebago also has a mini-golf course on the beach for the future golf tigers to practice their putts. Plus a fabulous training center and award-winning golf instructional programs
10. **Meet by the Lake**. Point Sebago's facilities are perfect for facilitating your next corporate retreat or family reunion getaway!
