Point Sebago's Director of Sales, Ruth Faut, will coordinate all the details of a groups golf getaway, weekend retreat, reunion, wedding, company meeting or overnight retreat. Groups can take advantage of discounted group packages available in spring and/or fall.

Overnight groups have a wide array of lodging to choose from including Park Homes, Resort Cottages and Vacation Homes, with lodging for groups of up to 400.

"We tailor make every group package to accommodate each group's needs," comments Ruth Faut. "If a group wants a private cocktail party on our cruise boat, or a lobster bake on the beach after their day on the golf course, that is what we arrange. Groups who can visit in May, June, September and October will find the best values and midweek groups sometimes even find themselves "owning" the resort as they get all of the extensive resort amenities virtually to themselves," Ruth said.
